Open door policy - This is a reminder that we operate an open door policy, which gives us the opportunity to solve any little problems before they develop. It is very successful and that is reflected in the harmonious daily life of the school. Staff are available in their classrooms from 8.30am, if you need a quick chat about something that will impact your child, or if you have a question relating to school. If you feel that it will take more than five minutes can you please book a time to speak to a teacher, through Fiona. Please don't email teachers directly; please use the office email address.
