Year 5 Maths Challenge – we are very pleased to report that our Year 5 team won the maths challenge that was hosted by The Oratory on Tuesday! It was a wonderful event against 8 local schools. There were two rounds covering all sides of maths from arithmetic to estimations to problem solving. The children were treated to lunch at the school which they thoroughly enjoyed and were sustained with cookies during the rounds. Thank you to Antonia Waite for taking the children and staying with them throughout.
