Creating a Love of Learning

Headteacher: Nick Steele

13th March, 2020

Coronavirus As with all schools, we continue to follow the advice of Public Health England. Children are washing their hands very regularly.

Should school close – if there is a situation where Peppard needs to close, we will provide work for your children to complete during their time in self isolation. More details will follow if the situation arises. If anyone does not have an electronic device that their child could use for this remote learning, please let us know and we will be able to provide one.

RAF Benson Cross Country – Saturday 21st March – please see details attached regarding a cross country run at RAF Benson

FOPS News

To start, I just want to say a massive thankyou to everyone that came to help up at the new site last Saturday morning. Apart from it being great fun and the kids enjoying jumping up and down on the beds to flatten soil, we achieved so much and in a short amount of time. The site looks amazing and there are already some seeds that have been planted. We are now liaising with Nick and the teachers to see when each class can go up and plant what they have chosen to grow. This is definitely an ongoing project and we may start having more meets at a weekend to maintain it and develop the space further so watch this space.

There are a couple of beds that have no soil in yet as they took more than we thought if anyone has any spare compost, any type and/or if anyone has anything they think could be useful for the veg beds, to please contact Ingrid by email ingridleene@yahoo.com.

If any parents/grandparents or friends wish to donate some tools and things that are needed for the kids to enjoy the gardening we have set up a wish list on Amazon so please take a look at the link below. I will also get year reps to send out the list and link on WhatsApp groups. https://www.amazon.co.uk/hz/wishlist/ls/112M8NIGU9691?ref=wl_share

Quiz night

At this time the quiz night is still going ahead so please please let Fiona know if you are coming even if by email so we have a list of numbers and an idea of how many teams there maybe. We will keep you updated if of course there is any change.
