Creating a Love of Learning

Headteacher: Nick Steele

8th March, 2024

Dear Parents,

World Book Day thank you for bearing with us as we had to move the dress up day to today. The children looked amazing, clearly they had all put in a lot of effort. The School Council chose a winner from each year group. They were Sophia, Olly, Bethany, Immie, Lucien and Maddie. Well done all!

Henley Youth Festival

Well done to all the runners who took part in the HYF run last Saturday; Lucas, Esther, Bella and, congratulations to Ruby and Olivia who both came 3rd in their events, Olivia with her best time yet of 5.32 for 1400 meters!

Also, congratulations to the children who performed at The Kenton on Thursday evening. Bea, Bella and Lily did really well and were so brave to get up on the stage to perform.

Thanks to all the organisers of the HYF. They have created some memorable experiences for all of our children this week (and some next week too). Springwood enjoyed their trip to Nettlebed Primary School to see the YSC perform a Midsummer Night's Dream on Wednesday and Greys and Peppard laughed out loud at the performance of Along Came Maggie at the Kidmore End Village Hall today, performed by Scarlet Oak Theatre Company.

Willow structures on the common

Although complete, we have been advised that they shouldn't be used for the next few weeks, as the willow saplings are very delicate when first planted. Can you ensure that children don't play in or around them until we have our opening ceremony.

Science Centre, Oxford - Greys Class trip was a huge success. The children completed a forest walk and built dens for mice and caught some bugs to inspect. They spent time in the incredible Exploration Zone making use of all the hands-on exhibits. They then watched some exciting science experiments taking place in the auditorium.

Reminders for next week:

Monday 11th to Friday 15th – Assessment Week for all
Thursday 14th March – Forest School for Peppard Class
Thursday 14th March – Highmoor to Kew Gardens
