Creating a Love of Learning

5th July, 2024

Dear Parents,

300 laps (75K!) around the Common for WWF-UK Huge congratulations to Lucas, Lucien, Ruby, Islay, Jake and Evan. They exceeded their goal and ran 320 laps around the common. They helped each other with the final few laps and finished it as a team.

The Henley standard came to school on Monday to talk to them about their fundraiser so keep an eye on this Friday's issue.

Their efforts have already raised over £900 and we are extremely proud of their accomplishment. Please donate if you can, any amount would be gratefully received.

Project Planet – Tickets are on general sale from the school office every morning and evening next week. If you need more tickets, please do come and buy some. If you already have your tickets but not paid for them, please send the cash in as soon as possible.

Wallingford Museum and Castle – On Tuesday, Highmoor Class will be going to visit the museum in Wallingford. They will be learning about the impact that the Normans had on our local area, taking part in workshops at the museum and then exploring the castle. Packed lunches are required.

Bag2School – thank you to all who brought in items for the Bag2School yesterday – we raised over £83! There will be another opportunity later in the year to get rid of your unwanted items, so please keep them for that.

Reminders for next week
