Creating a Love of Learning

22<sup>nd</sup> July, 2024

Dear Parents,

Last week ...

Project Planet – we think you will agree, another hugely successful play - fantastic performances by all the children but extra special congratulations to the Year 6 children who were responsible for not only learning their lines but creating the props and stage management. Thank you to all who contributed and to the parents for the costumes.

Rounders Tournament – this week we hosted two Rounders tournaments on the Common with 4 other schools. We had some excellent success, in particular with Molly Taylor scoring 3 home runs in succession! We also had some Year 10 children from MECE who came to referee the matches so a special thank you to them. It was a great community day and the sun shone throughout!

Football Success - Taylor and Charlie's football team AFC Henley Hawks entered the Maidenhead Boys and Girls Tournament at the weekend.

Out of 24 teams they reached the cup final! Coming second in the group stages, going on to win the quarter final with both Taylor and Charlie scoring the only goals to get us through to the semi finals winning a penalty shootout to get through to the final.

Well done boys!!! Fabulous effort all round!
