Voluntary contributions – support our school!

Did you know you can now help support the school by making voluntary one-off or monthly donations. If you would be interested in helping in this way – we would be very grateful for any support you feel able to provide. Even a small contribution would make a big impact.

Your donations go towards improving the experience and education of all the children and throughout the year FOPS work alongside the school to fund learning subscriptions and school trips as well as additional class and school resources.

Donations can be made online, directly from your bank account to the Friends of Peppard Primary School Account, the details of which are set out below. When making online payments please use your surname as a reference.

Remember to ask us for a Gift Aid form too so we can claim this on your behalf!
